

Court Ordered Counseling Instructions

You have been required to participate in counseling services by Wyoming's Juvenile Court. Counseling services are provided, free of charge, by Wyoming Youth Services Bureau.

You are required to contact Wyoming Youth Services Bureau at 821-2428 to schedule an initial appointment. *It is your responsibility to set up appointments.* At least one parent/guardian is required to attend the initial session. During the initial session, the counselor will assess your treatment needs and you will mutually agree upon treatment goals, if warranted.

If you fail to comply with this requirement, you will be referred back to Court.

If you have any other questions, please contact Greg Bingham or Kimberly Hauser, Executive Director, Wyoming Youth Services Bureau, at 821-2428.
